<b>Comment/question</b>	Dear Sir/Madam, My name is Marina Albiol and I am a MEP of the GUE/NGL group. I am writing you because I am looking for a document related with the "Castor Underground Gas Storage (TEN)" project (Ref: 20060184). In detail, I am looking for the document that indicates the modification (contract clause) of 2012 that extends from 5 to 25 years the period for the voluntary abandonment of the Castor project. Could you send me that document or let me know where I can find it? I have been told that the EIB has that document but I could not find it in your webpage. Best regards,
